STUDENT PICTURES

The student picture packages for those who ordered are being sent home today.

FROM THE LIBRARY

Just a reminder to parents that 1st-4th graders have library on Tuesdays. Many students have said that their books were still at home because their mom forgot to put their books in their backpack; we tell them that it's their responsibility, but you can give them a gentle reminder to put their books in their backpacks now so they have them tomorrow. We are almost out of recycled greeting cards that we cut for bookmarks, so if you have a stack of cards laying around that you're not sure what to do with, just send them to the library. Thanks!
