Once the parking is filled at Adams there will be a shuttle bus running from Bethany URC (just north of school) to Adams. Appetizers and punch bowl begin at 6:30 with the rest of the event beginning at 7:00. If you are making food for this night, your recipes/instructions were sent home last week. Also, extra cookbooks will be available for purchase that night for \$15. Please contact Melissa Lubbers at 616-583-0015 or Rebecca Kleyn at 616-532-1075 if you have any questions. Looking forward to an enjoyable evening!

HOPE SCHOOL PTA

Hope School invites you to join us for our PTA on February 8, 2018 at 8 PM.

The internet is great! We use it for banking, research, and as a way to stay connected with friends and family. But every choice has an opportunity cost. Have you considered the cost of the life choice to use/immerse yourself in the internet and modern technology? At this PTA, Mr. Joel Minderhoud and Mr. Jon VanOverloop will demonstrate what brain research and anecdotal evidence indicates about modern technology's effect on the brain. They will also examine the social, spiritual, and educational implications of being immersed in modern technology and offer some suggestions to address these concerns.
